## SMOKE ALARM ASSISTANCE FOR HEARING IMPAIRED CHILDREN

### Grant Funded Program for Specialty Devices

Cowlitz 2 Fire & Rescue received a Fire Prevention & Safety Grant to help us provide specialty smoke alarms for hearing impaired children. Participating families will have a smoke alarm system installed by Cowlitz 2 Fire & Rescue cadets, including a strobe light alarm and a bed shaker for the hearing impaired child, **at no cost to the family**. To participate, review the requirements to the right and return the application to Cowlitz 2 Fire & Rescue.

Program paperwork can be downloaded on our website:

[www.c2fr.org/smokealarmgrant](http://www.c2fr.org/smokealarmgrant)

# Cowlitz 2 FIRE & RESCUE

### Program Requirements

Return an application and provide documentation that your child has a need for these devices

---

Sign a Release of Liability and a photography release

---

Allow C2FR Cadets to install the alarms  
*(permanent installation with a drill and screws, in appropriate locations)*

---

Participate in a home safety inspection and fire escape planning during the installation visit

---

Return the post-installation survey 1-3 months after the home visit
