## **Registration fee is non-refundable.**

Registration fee will be due once we meet the registration minimum for the class.

The Monday before the class, registrations without payment are no longer reserved and may be displaced by students on the waiting list.

All registration fees must be paid by the Wednesday before the class.

No payment will be accepted the day of class.

**We accept exact cash or check. We do not accept any electronic payments.**

## Important Information

- Each student will receive a student supply kit for use during class.
- Wear comfortable clothes, as there is a practical skills portion of this class.
- An online course completion certificate is required before the skills session.
